

## International Leadership Institute Traveler's Pledge

1. I understand that involvement in this program is an honor, not a right and that I have been invited to participate in a leadership development program.
2. I understand that I when I am traveling abroad, I represent my family, school and Global Next. My conduct, words and attitude will always reflect that.
3. I understand that no alcohol or tobacco products may be consumed or purchased while participating on this educational conference.
4. I understand that I may not enter the hotel room of a member of the opposite sex.
5. I understand that my clothing must be modest and appropriate for the activities and culture associated with this program. If the program includes water activities, I understand that girls must wear one-piece swimsuits and/or a T-shirt over your swimsuit.
6. I will purpose to be open, flexible and attentive during training sessions.
7. I understand that one of the purposes of this trip is to network with other motivated students/participants. Therefore, I will purpose to get to know others and grow from appropriate social interaction.
8. I will follow all instructions regarding staying with assigned groups during free time, observing curfews, noise levels in hotels and adapting to our host country's culture.
9. I will be aware of the group's schedule and will not exhibit self-centered behavior by being late and making others wait for me.
10. Regarding my passport: I understand that if I lose my passport, I am responsible for all costs associated with replacing the passport. This includes passport costs, transportations, flight changes and hotels.
11. If you are a traveling adult or chaperone, you agree to attend all conference sessions, activities and abide by all other conference standards as stated in this pledge. All traveling adults must be approved by their school and undergo any required background checks. For the safety of all conference participants, unauthorized people cannot plan to be at the conference locations, stay in the same hotels or meet students during free time throughout the duration of the conference.
12. I understand that I will have the time of my life, will make some of my favorite memories and will probably show my trip pictures to complete strangers. 😊
